Next visit Bogd Khan Palace museum - the complex was a residence of 8th Bogd Javzandamba in 19th century, the head of Mongolian religion. The palace consists of seven Summer Prayer temples and the winter palace.

Our next highlight is a famous cultural show in the city, which is featuring traditional performances by singers, dancers and contortionists. It's a great chance to hear Khöömii (throat singing) and see some fabulous costumes. After dinner, transferred to the hotel.
